Thursday, May 12, 2016 at 7:00 pm

There are no bylaw changes this year. The agenda includes an overview of our 2015 audited statements, President's remarks recapping all the changes of 2015 and our focus for 2016. Adopting auditors for 2016 and a few new special projects will also be highlighted.

For those members who have never had the opportunity to visit the iCAMP location, a short tour is available. We hope you will keep the date and join us for the 2016 AGM.

We'd appreciate your RSVP, as we will have light refreshments and snacks ordered for the event. Click [here](#) to RSVP.

ADVANCE NOTICE OF POTENTIAL ASPHALT RESURFACING PROJECTS THIS SUMMER IN NORTH BAY

For businesses and residences that may be affected over the next few months, please be advised of areas that may be resurfaced through this summer's tender process with the City of North Bay. The exact timing for each location is also subject to working with the contractor after award; however it will be stipulated that arterials and collectors will be completed as soon as possible (subject to availability) and that road resurfacing, after pulverizing, is to be completed within 2 weeks or as agreed upon with the successful tender proponent.
