## Message from the new President and CEO

I am officially here and I could not be happier to be with a great team and Board, serving our business community within our district. Patti, Sue and Carol have been terrific in helping me get my bearings and I am very appreciative for all the help.

The business community has been well served and represented under Patti Carr's leadership and I am happy to be working with Patti and the rest of the team. I look forward to getting out and meeting our member's and non-members alike together with finding out what are the issues and opportunities that keep our businesses awake at night. Together we are stronger and we are here for you.

One of the first items on the agenda will be the Board Strategic Planning session which will be taking place in the very near future. We are in the process of finalizing plans for the Board session

and they will be charting the course for the Chamber for the future direction. If any of our members wish to provide input to our planning session, please do not hesitate to forward any ideas, comments or items that you feel need to be addressed. Please forward them to myself directly at [Peter@nbdcc.ca](mailto:Peter@nbdcc.ca) or call the office at 705.472.8480

Last week, your Chamber attended Opening Doors for Business co-sponsored by The Business Centre Nipissing and Parry Sound and Mayor Al McDonald at the Grande Event Centre. Eight of the nine panelists were Chamber members and it was a great evening to listen to the stories of these entrepreneurs and the advice given. It was a great first conversation by the business community and thanks to Mayor McDonald, Denise Sherri and staff members from both The City of North Bay and The Business Centre Nipissing Parry Sound who made this event happen.

Remember, there are two types of people in this world...Chamber members and those that want to be Chamber members!

Sincerely, Peter Chirico  
NBDCC, President & CEO

## Minister Navdeep Bains in North Bay today!

The Honourable Minister Bains was in North Bay today at Discovery North Bay to announce the launch of the new Prosperity and Growth Strategy for Northern Ontario. A targeted approach to economic development through innovation. The strategy will focus on ways to build on Northern Ontario's unique strengths and competitive advantages in mining, resources and agriculture, among other sectors.

*Above: Minister Bains answers questions from the audience, while Peter Chirico, President and CEO of the Chamber looks on. Mr. Chirico emceed the event and welcomed Minister Bains and the colleagues from FedNor that joined for the announcement.*

Along with the regional strategy for Northern Ontario, the Government of Canada will eventually have its own version of this strategy in every region of the country through the Innovation and Skills Plan.

Minister Bains stated "Each region of our country has unique strengths. That means innovation doesn't just happen in the big cities—it happens in every region of the country. Where innovation happens matters because that's where the best jobs are located. Our government's goal is to promote regional advantages that help our homegrown companies develop into globally competitive successes."

*Above: MP for Nipissing-Timiskaming Anthony Rota introduces his colleague Minister Navdeep Bains at Discovery North Bay during a media announcement*

Navdeep Bains is the Minister of Innovation, Science and Economic Development and is also the Minister responsible for FedNor.

With the recent Federal Budget, the funds to FedNor will be increased to \$46.13 million per year, which is a \$25 million dollar increase over five years, to support businesses and communities in Northern Ontario.

*Above: Regional Mayors join the MPs present at the Minister of Innovation, Science and Economic Development's media announcement. Know someone (like your boss) who deserves to spend a little time behind bars? Then sign them up for a little friendly incarceration at Near North Crime Stoppers Celebrity Jailathon.

Throughout the day on May 4th, area residents will appear before the Jail-a-thon 'Judge' to face charges on some lame 'laws'. They'll be 'sentenced' and 'fined'. To get sprung from 'jail' 'convicts' must drum up the required bail from friends and colleagues to cover bail set by the 'judge'. It's a lot of fun and all money raised goes toward the operation of Near North Crime Stoppers, including funding the tipster rewards.

If you know someone who deserves some time in the 'slammer' then contact Crime Stoppers at 705-497-5555 #507 or fill out the form below and fax to 705-476-1784.
