Mandatory Business Closures for Canada Day

In cases where a statutory holiday falls on a Sunday, such as Canada Day 2018, mandatory closures are moved to the following Monday. **Therefore, mandatory business closures for Canada Day in 2018 will fall on Monday, July 2.**

Rules regarding public holiday pay vary depending on whether a public holiday falls on:

- a day that is ordinarily a working day for the employee;
- a day that is not ordinarily a working day for the employee or that is a day on which the employee is on vacation.

Public Holiday on a Working Day:
If the holiday falls on a day that would ordinarily be a working day for the employee, they are entitled to have the day off with public holiday pay. Alternatively, the employer and employee may agree that the employee will instead work the public holiday, in which case, the employee is entitled to their regular wages for the hours they worked on the day, plus either a substitute day off with public holiday pay or pay-plus-premium-pay for each hour worked on the holiday.

Public Holiday on a Non-Working Day:
If the holiday falls on a day that would not ordinarily be a working day for the employee or a day when the employee is on vacation, they are entitled to a substitute day off with public holiday pay, provided that the employee is not on pregnancy or parental leave, or on a temporary layoff. However, the employer and the employee may agree that the employee will instead be paid public holiday pay for the day (in which case there is no substitute day off).

NORTH BAY FOOD BANK

The North Bay & District Chamber of Commerce has joined forces with the North Bay Foodbank by engaging our membership in the support of a major change effort underway in North Bay. We are sending out a **Chamber Challenge** and calling on you to support the North Bay Foodbank's resilience project. Support can be straightforward, by engaging in the following ways:

1. **Donation Bin** - Engage your organization to donate periodically by bringing in just one extra food item at lunch. You can support this effort by accepting a dedicated donation bin from the Foodbank and promote filling the bin using "dress down Fridays" in exchange for a food item or many other creative methods to align and engage the team at your workplace.

2. **"Just 1" Habit** - Promoting the game-changing idea that a social habit of donating just one of the "foods of the month" each time we shop for food, will supply enough food to feed those most in need.

3. **Community Capital** - Choose one of the capital packages: Community Supporter, Community Partner or Community Leader and contribute a reoccurring amount or one time support to the North Bay Foodbank and reap the recognition benefits of their new reach via a redesigned website and enhanced social reach.

As a member that invests in this project's success, you will reap a return on investment that is unmatched – positive local community impact. The North Bay Foodbank is piloting many new concepts to promote adopting individual and corporate habits that are intended to become broader norms that have the potential to end food insecurity beyond just our community.
