Wendy ADAMS

Born and raised in Calvin, Wendy Adams relocated to Papineau-Cameron Township in 2008. Wendy has lived all of her life in the area and has raised her family here. She served on Papineau-Cameron council from 2010-2014 and most recently since November 2017 to present. In addition, Wendy served as a councillor for Calvin Township from 2000 to 2004 and again in 2006 to 2007.

Wendy brings a wealth of knowledge to the community. Her years of experience as a counsellor enables her to fairly and adequately represent you for the next four (4) years.

While on council she had the opportunity to serve on the North Bay Parry Sound District Health Unit board and the hiring committee for Calvin Township. She has been involved in and has supported the fire department upgrades, road upgrades, hiring of a summer student, educational donation to local schools and the 2018 budget planning. She was pleased that there was no tax increase to the constituents in the current fiscal year.

Wendy was involved in the purchase of the fire department's new water pump and training for personnel. She has supported the Veterinary Assistance Program which offsets travel cost to large animal veterinarians, the Mattawa-Bonfield Economic Development, Archangeault Road project, the rail corridor trail system which will enhance the quality of life for the residents of Papineau-Cameron Township and also serve as an economic driver as a multi-use trail system.

She has an interest in the community, its growth and the day to day operations. Wendy will continue to work with council to find the best solutions on issues as they arise keeping in mind the interest and concerns of all constituents. She is determined to represent you on council to the best of her ability as she advocates for improvements to the infrastructure and enhancements to the quality of life and growth of the community.

WENDY ADAMS WILL WORK HARD ON YOUR BEHALF TO:

- Continue to be committed to the constituents of Papineau –Cameron
- Continue to work with council to keep taxes low
- Continue to support training/equipment upgrade for fire department
- Continue to work with council to upgrade roads equipment
- Advocate your concerns
- Bring greater accountability for your tax dollars

Vote for Wendy Adams as a councillor on October 22nd.

Terry BANGS

Being a lifelong resident of this area, I believe that I have the insight and working knowledge of not only infrastructure, day to day operations but can identify with the needs of the Township Residents to better our community's voice in this catchment area.

I was born in Mattawa, now reside in Papineau-Cameron Township for a number of years with my wife of 24 years Stacey, and three children Colin, Chelsea, and Carter.

I have been previously engaged in Municipal politics being on Town Council in Mattawa from 1997 to 2006 when residing within the town. We moved to Cameron Township over 14 years ago to raise our family and share knowledge with them with regards to farm, community and responsibilities.

Change is inevitable, growth for our Township and Residents, involvement with our surrounding Municipalities and maintain a productive and positive relationship is in the forefront.

I have no hidden promises and consider myself to be transparent. The goal is to see positive results for our Residents and Community.

Thank you,

Terry J Bangs

Shelley BELANGER

My name is Shelley Belanger and I am asking for your vote in the upcoming municipal election.

I was appointed as a Council member for Papineau-Cameron Township in 2009, and re-elected in 2010 and 2014. I have enjoyed the opportunity to listen to citizens and understand the concerns and challenges of our community. Thank you for having put your trust in me over these years.

I feel I continue to bring an extensive skill set to the Council table. The thirty years of Human Resources experience including managing the HR department of North Bay Regional Health Care have been valuable in maintaining solid municipal relationships with residents, staff and other community representatives. It is important to me to listen to the concerns and issues of our citizens and remain an objective opinion at the Council table.

Council has worked diligently over the last 4 years to maintain fiscal responsibility and sustain a low taxation rate. Council has established a solid base of industrial and residential development which is key to keeping our community sustainable. Maintaining a low tax rate continues to entice new development within our township.

Council has responded to many challenges this past term including;

- The MTO proposed four lanes through the township;
- Ending the municipal commitment and levee responsibility to Cassellholme Board Management;
- Aging equipment, replacement of fire and dump trucks.

Although we have made great strides during this last term, there is still much to do. I will continue to listen to you and work with Council on your behalf. I will continue to work hard to maintain your confidence and hope I can count on your support again this election.

Thank you,

Shelley Belanger

Alvina NEAULT

Hello and Bonjour,

My name is Alvina Neault and I have been a Councillor in Papineau-Cameron Township for the past 12 years.

I was born and raised in Northern Ontario. When I left home to attend college in North Bay, I was going “south” to the “big city”. It was there that I met and married my husband, Bill Neault. Shortly thereafter, we built our house on Lake Champlain on land that had been homesteaded by Bill’s parents. Outside of a short hiatus of six years in British Columbia, we have lived here since that time.

In 1984 I went to work at the Women’s Resource Centre and although my job has changed over the years, I continue to work there as the Bookkeeper to this day.

For the preceding 12 years, I have represented the Township on both the North Bay-Mattawa Conservation Authority and The East Nipissing Planning Board. I believe that a well thought out plan for land use in our area can only benefit all of us and contribute to our quality of life in the long run. The Conservation Authority is an organization that is close to my heart in that it supports the wise use of our natural habitat and the preservation of the rural nature of our area so that we can all enjoy its many benefits. I have spoken on questions affecting women’s and workers rights at council meetings because I am a socialist at heart. My father was a union man and I was raised to believe in equality and fairness.

I have voted in support of the purchase of the discontinued CPR railbed for a multi-use trail system which would connect us to Ottawa Valley communities as far away as Renfrew. All you have to do to realize the value of an integrated trail system to this area, is to see the number of snow machines or ATVs in the parking lots at local restaurants. It is my wish that our area reap the financial rewards of a well maintained and connected multi-use trail system and I will continue to support efforts to that end.

I have spoken on and supported many other issues during my time on Council, but one that everybody can get behind is holding the line on taxes. Since 2006 when I was first elected tax assessments have gone up and down but our taxes have remained very close to what they were ten years ago. I wish I could claim all the credit but I can’t. I can only promise that if you allow me to continue to represent you on council that I will continue to support economic growth and fiscal responsibility.

Many thanks for your past support.

Alvina
